

Dear Friends

I am the only candidate who

- has fought both Labour and Tories in London for over 25 years
- has won local as well as London-wide elections
- has served as MEP and Councillor
- on Soutwark's Scrutiny Committee, holds the Labour administration to account
- has professional experience as anti-corruption lawyer
- is an EU citizen speaking up for London's 1m EU citizens
- as a human rights activist and refugee host, will represent all Londoners regardless of their background

Your #1 vote will enable me to strengthen the only effective opposition to Labour in London.
